

Trotro dort.

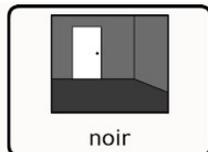

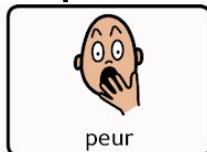

Trotro est dans son lit.

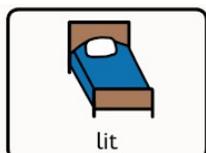

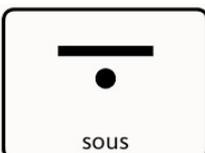

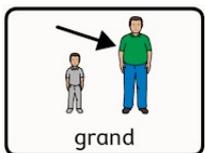

Trotro ne dort pas.

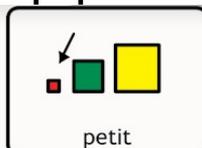

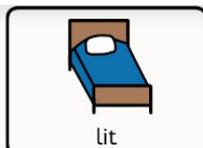

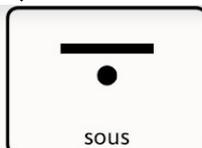

Trotro a peur du noir.

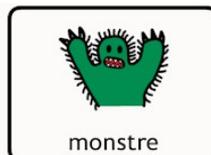

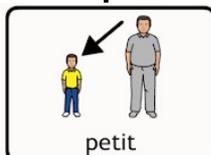

Trotro a peur
du grand monstre
sous son lit.

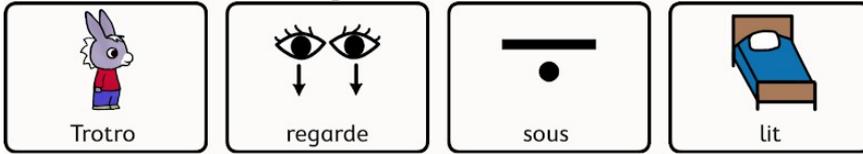

Mais non, sous le lit c'est trop petit.

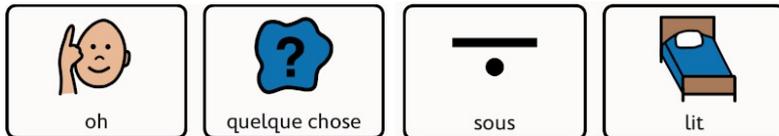

Alors Trotro a peur du petit monstre.

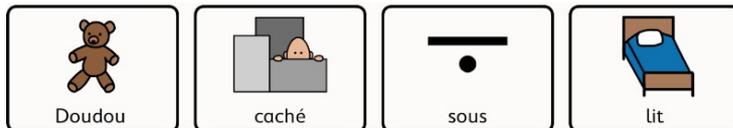

Trotro regarde sous son lit.

Oh ! Il y a quelque chose sous le lit.

Doudou était caché sous le lit.

Trotro dort avec doudou.

Bonne nuit Trotro.
